*The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they, therefore, solicit all who feel an interest in its accuracy, and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.*

*As the whole List is kept standing in Type and is frequently published, they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.*
